Lorem Ipsum is simply dummy text of the printing and typesetting industry Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scramble make a type specimen book. It has survived not only five centuries, the leap into electronic typesetting, remaining essentially unchang

It was popularised in the 1960s with the release of Letraset sheets c Lorem Ipsum passages, and more recently with desktop publishing like Aldus PageMaker including versions of Lorem Ipsum

It is a long established fact that a reader will be distracted by the r content of a page when looking at its layout. The point of using Lo is that it has a more-or-less normal distribution of letters, as opposed to using Content here, content here.
