SKIN BARRIER MOISTURIZING CREAM
An active moisturizer. It helps to reduce the severity of wrinkles, improve skin texture, and prevent the appearance of age-related changes. Enriched with copper-peptide complex, antioxidants, hyaluronic acid, natural oils and ceramides.

○ MONO PEPTIDE

Concentrate serum with a peptide complex effectively but gently erases traces of time and fatigue. The peptide complex strengthens the skin frame, restores clear facial contours, seals and smoothes, moisturizes and nourishes, improves complexion.

○ HYALURONIC ACID

Hyaluronic acid penetrates deeply into the skin, moisturizes it, nourishes it, increases elasticity and firmness, creates a radiant effect, fills and softens wrinkles.

○ SAFFRON FLOWER EXTRACT

Saffron flower extract restores the beauty of dry and very dry skin, gives it comfort, softens and returns radiance.
